Re: David J. Townsend

To Whom It May Concern:

This letter is in recommendation of David J. Townsend. I have had the opportunity to be David's director during September 2013 – June 2014, while he skillfully fulfilled his teaching requirements. It has been a privilege watching him work with English speakers of varying levels in a cross-cultural setting.

From the first day, David exhibited a great sense of earnestness and flexibility. His lessons were thoughtful, engaging, and motivated students to actively participate in the learning process. David proved himself highly capable of delivering superior lessons under any given circumstances.

In addition to his resourcefulness, David exhibits a natural exuberance and positive energy that greatly enhances his ability to interact with youngsters. His keen powers of communication and business experience earn him respect among adult learners. Amiability towards his fellow staff also won him their admiration.

I am reluctant to see David leave our company, and I am certain that he will be a valuable asset to any organization that receives him. It is without reservation that I endorse David Townsend for any position he desires.

Sincerely,

Jerry Luo
